Revolution Advantage:

Revolution Campers will leave camp with a greater sense of what it takes to be at the top of their game. The challenging training sessions will develop each camper's mental and physical endurance. From stick handling to shooting to defending, you will leave prepared for your season ahead.

To maximize growth, campers will be placed in the appropriate group according to ability, age and camp composition. The curriculum incorporates the core components of hockey with advanced skills, as well as specific goalie training. Our staff will motivate campers to train at game speed and work to meet their goals. Stations, drills and small games will help each camper get better this summer!
