Goggles

Revolution Field Hockey operates under the International Field Hockey Federation rules which states players are permitted/ not required to wear a smooth preferably transparent or white but otherwise dark plain colored face mask which fits flush with the face, soft protective head covering, or eye protection in the form of plastic goggles. The rule is provided above so that you see what is currently in place (and, it seems flexible enough to leave the decision in the players’/parents’ hands regarding goggles at camp). Please have a discussion with your child before camp.

Cancellation Policy: Any Camper who must cancel their registration more than fifteen (15) days prior to the camp start date will receive a voucher equal to the full amount of camp tuition already paid which may be used toward any program or camp offered by eCamps. If a camper must cancel their registration fourteen (14) days or fewer prior to the start of camp, eCamps will issue camper or parent a voucher equal to 50% of the camp tuition, which can be transferred to a future program or camp within the same calendar year or next calendar year. The voucher is also transferable to another family member and is good for any camp offered by eCamps within one year of the date of purchase. Camp vouchers are not extended to campers who leave camp after the start of a session. **Cash refunds are not offered under any circumstances.**

Cell Phone Policy

In order to provide the ideal camper experience, we believe in limiting the use of cell phones and other electronic devices while at camp. Use of phones is not permitted during the instructional blocks of camp, including on-field and classroom sessions. We feel this will minimize distractions to the learning environment, help maintain an inclusive atmosphere and alleviate potential problems that can detract from the overall experience for everyone.

[COVID-19 Camp Policies and Procedures](#)

We understand that the COVID-19 pandemic has heightened your concerns regarding your children's health and safety. At Revolution Field Hockey Camps, we recognize the importance of this part of the equation when choosing activities for your kids. Our team is also aware of how crucial it is for your child's well-being to continue participating in the sport they love. That's why we want to assure you that we are doing everything we can to provide a COVID-safe camp environment for your field hockey player, so they can focus on having fun and taking their skills to the next level.

Indoor Mask Policy

Masks are mandatory for all staff and campers when entering and exiting the dining hall. While actively eating or drinking masks may be removed. Mask wearing in the dorms is only mandatory for those participants not fully vaccinated. Those who are vaccinated are strongly encouraged to wear a mask but not required to.

Outdoor Mask Policy
