- [Covid-19 Athletic Monitoring Form](#)

## **Covid-19 Policies and Procedures**

During check-in, all participants will have their temperatures checked. No masks are required to be worn on site while actively playing if you are fully vaccinated (2 weeks after required doses) but please bring a mask to wear for entering and exiting the restroom. Social distancing will be enforced during huddles and water breaks. Hand sanitizer will be at the entrance and exit of the field and we ask participants to use accordingly as they enter and exit the field.

## **Lunch Break and Water Stations**

Participants will need to provide their own lunch and water bottle. There is shade available to sit under and we suggest bringing a towel or blanket to sit on during the lunch break. Water jugs will be available for re-fills but please use the hand sanitizer provided before and after you fill your water bottle.
